Mentee Contract

Thank you for your interest in being a part of Students with Ambition Go (SWAG) to College. SWAG to College was created as a way for youth to partner with mentors from similar backgrounds in order to gain the tools necessary not only to be admitted to college but also persist all the way through to graduation.

Signing this contract is a promise that you will complete each of the following requirements as well as do everything within your power to achieve your educational aspirations.

Requirements:

1. I will communicate with my mentor weekly through either text, email, kik, phone, or another social network.
2. I will respond to all communication with my mentor and with the SWAG to College coordinators within 24-48 hours of receiving it.
3. I will follow the advice my mentor provides and use it to reach all the milestones that my mentor and I agree to. These include, but are not limited to: discovering my interests, identifying 4-8 colleges to apply to, ensuring I start and submit my college applications, completing the FAFSA, signing up, studying for, and taking the SAT/ACT.
4. I will bring a positive attitude into my mentor-mentee relationship at all times.

If I violate one or more of the above conditions, I risk being removed from the SWAG to College Program.

I, _____, agree to the conditions stated above. I acknowledge that if I am not meeting these guidelines, I may be asked to refocus my mindset by communicating with Mr. Salhotra, and under extreme circumstances, be asked to leave the program at the director's consent.
